The appeal suit of Ralph Wilcox against the Oregon Short Line Railroad company was taken up before the court and a jury. The plaintiff brought the suit against the railroad company to recover damages because of the failure of the company to have its passenger train stopped at the Hot Springs, which place and return it had sold plaintiff a ticket, and he was compelled to walk to Ogden. A jury in the lower court gave him judgment for damages in the sum of \$200, from which verdict the railroad company appealed. The principal point on which the case rests is as to whether it is the duty of the railroad company's officials to have a train flagged at a small station or the the purchaser of the ticket. ther hearing of the case will be continued Monday.

MEETINGS ADVANCED ONE WEEK The Weber stake priesthood meeting

be held one week earlier this month than usual on account of the semi-annual conference of the Church, convening in Salt Lake, It will be

held at the Weber stake academy hall Saturday, Sept. 29, at 11 a. m. The ward teachers should therefore see to getting their labors performed early in

Fast day services will also be held in all the wards on Sunday, Sept. 30, and the high council meeting will be held on Oct. 2.

Coalville, Summit Co., Sept. 6,-General Superintendent of Church Schools Mrs. Susa Young Gates of the general board of the Y. L. M. I. A. delivered an interesting lecture in the Brigham City tabernacle last Sunday evening Horace Cummings held a number of interesting meetings in this stake last week. He was accompanied by Prof. C under the auspices of the stake boards J. Jensen, principal of the stake acade-

my, and Prof. Sardoni and wife.

Prof. Hinckley and Mr. Christensen of the Brigham Young university. Provo, held a number of meetings this week in the interest of higher educa-

ACADEMY OPENING.

The Summit Stake academy opened Tuesday, Sept. 4. While the attendance was not large at the opening, the numbers are increasing every day. The rewhich deterred many of the young men

from entering at the opening. SUMMIT COUNTY BUSINESS.

County commissioners met in regular session Tuesday and transacted the reg-ular routine of business. Atty. W. I. Snyder asked for a franchise for a right of way to extend the lines of In er-Mountain Power company through this county, which was granted. T. L. Allen appeared in the interest of the Reservoir company and asked for the right to change the wagon road be-

tween Coalville and Echo near wher the reservoir will be built. Granted. MAY LOSE A LEG.

W. H. Kimball of this place was taken to Salt Lake City on Tuesday for medical treatment, one of his feet has been paralyzed for some time and the blood has stopped circulating and blood poison has set in, and from last accounts it was thought he would have to have his leg amputated.

The Kempton Komedy company presented "Homespun Hearts" in the opera house last evening. The house was wel filled and the play seemed to give satis-faction. "A Woman's Sacrifice" will be given this evening.

Utah's new and only exclusive \$2.00 Hat Store opens Sept. 12, 26 E. 2nd So. Wilson Hotel Annex.

LITTLEFIELD, ARIZ. HOME OF THE RAISIN GRAPE.

Farmers Grow Two Crops of Grain Each Season.

Sept. 29. The convention will consist of 81 delegates. As yet there is but little interest taken in the coming Special Correspondence. Littlefield, Arizona, Sept. 4.-This election. So far as the county is con-cerned, most of the officers have served place, formerly known as Beaver Dams, is about 35 miles southwest of St. George, and is about 6 miles south of the Utah line. The community is small, and the land is quite limited, but it is very fertile. A good crop of corn is now growing where was harvested a The Sevier Valley Canal Co. has decided to expend \$3,000 in enlarging and improving its canal. The work crop of barley this season, and an ex-cellent crop of cane follows a crop of wheat. The farmers thus raise two The company is prepared to crops a season on the same ground. Most of the irrigation water comes from springs, so the users are not troubled by the frequent changes in the river. The fruit crop has been exceptionally good this year, the showing in the raisin grapes being most ex-cellent. The yield is large, and there are vines three and four years old that will yield 40 and 50 pounds of grapes to the vine. The grapes of every variety are doing splendidly, and greater attention is being paid to their culture. Hen-ry Frenner alone has 25,000 seedless cut-

tings rooted for next year's planting. What is wanted hore is a systematic method of packing and marketing of the excellent products, which this re-gion is adapted for growing.

The climate here is unexcelled in win-er; of course it is hot in summer, but it is this heat of summer that gives to the fruits their unexcelled flavor. season is at least two weeks earlier in the spring than St. George, and usually that much later in the fall in getting

Raisin drying Is now in full swing and the rows of trays extend through the vineyards loaded with the grapes in all the degrees of dryness from the fresh fruits to the finished product.

DUBLAN, MEXICO.

DEMISE OF ISAAC W. PIERCE. Greatest Flood in History of Colony Does Great Damage.

Special Correspondence.

Colonia Dublan, Chihuahua, Mexico, Aug. 10.—During the past week Dublan has experienced the highest water known in its history. The Cases Grande river overflowed its banks and spread for a mile on either side, doing considerable damage to second crop pota-toes and beans, in fact it is feared that both crops will be a total loss. A number of farms near the river have been badly cut up in places and will be hard to repair. The people are busy the last fey days building a levee in the edge of the field west of the town to keep the water away from their homes Last week about 30 students left here for Juarez to attend the stake academy, which opened on the 27th. The seminary opens here on Sept. 3, with a

corps of eight teachers, under the direction of Prof. L. Paul Cardon.

A number of fine brick residences are going up this season which adds to the beauty of this presperous colony. The foundation is laid for another large store, which is being erected by F. D. Haymore & Sons.

DEATH OF ISAAC PIERCE.

Impressive services were held over the remains of Patriarch Isaac W. Pierce on the 23rd inst. Consoling remarks were made by Patriarch Charles Pulsiphur, H. M. Payne, J. N. Smith. Ir., President Helaman Pratt and Bishop S. J. Robinson.

For a number of year, Elder Pierce has resided at Cuidad Juarez, where he was engaged in the lumber business, and was enabled to render valuable assistance to colonists and visitors coming into this country. He was stricken with pneumonia, to which he succumbed on the 21st, and his remains were brought here for inter-ment, and followed to their last resting place by a large number of relatives Isaac Washington Pierce, son of I.

W. and Phoebe Baldwin Pierce, was born Aug. 22, 1839, at Jacksonville, Ill. Church in 1883. His father died through exposures in Missouri. His mother and family emigrated to Utah in 1852. In 1862 he went to the Missouri river for emigrants, driving four yoke of oxen. In 1863 he married Hannah Carlson, who soon afterwards died, when he married her sister, Elna, who bere him nine children, eight of whom are living. In 1887 he married Carolina Done, who bore him 13 children, six

of whom preceded him to the other world. Elder Pierce filled a mission to the United States in 1887-8. White Utah he lived in a number of wards, where he always took an active part. While living at Glenwood, Sevier couny, he served as first counselor Bishop A. T. Oldroyd, from 1874 to 1876. He later served in the same capacity to Bishop Willis E. Robinson of Loa, Wayne county. In 1890 he moved with his family to Mexico, first locating in Colonia Diaz. He has filled a number of Church offices in this stake to the entire satisfaction of his brethren. Eider Pierce has always lived an exemplary life and was much loved and respected by all who knew him. He leaves 15 children and a host of friends o mourn his demise,
